Advance Displays

June 3, 2025

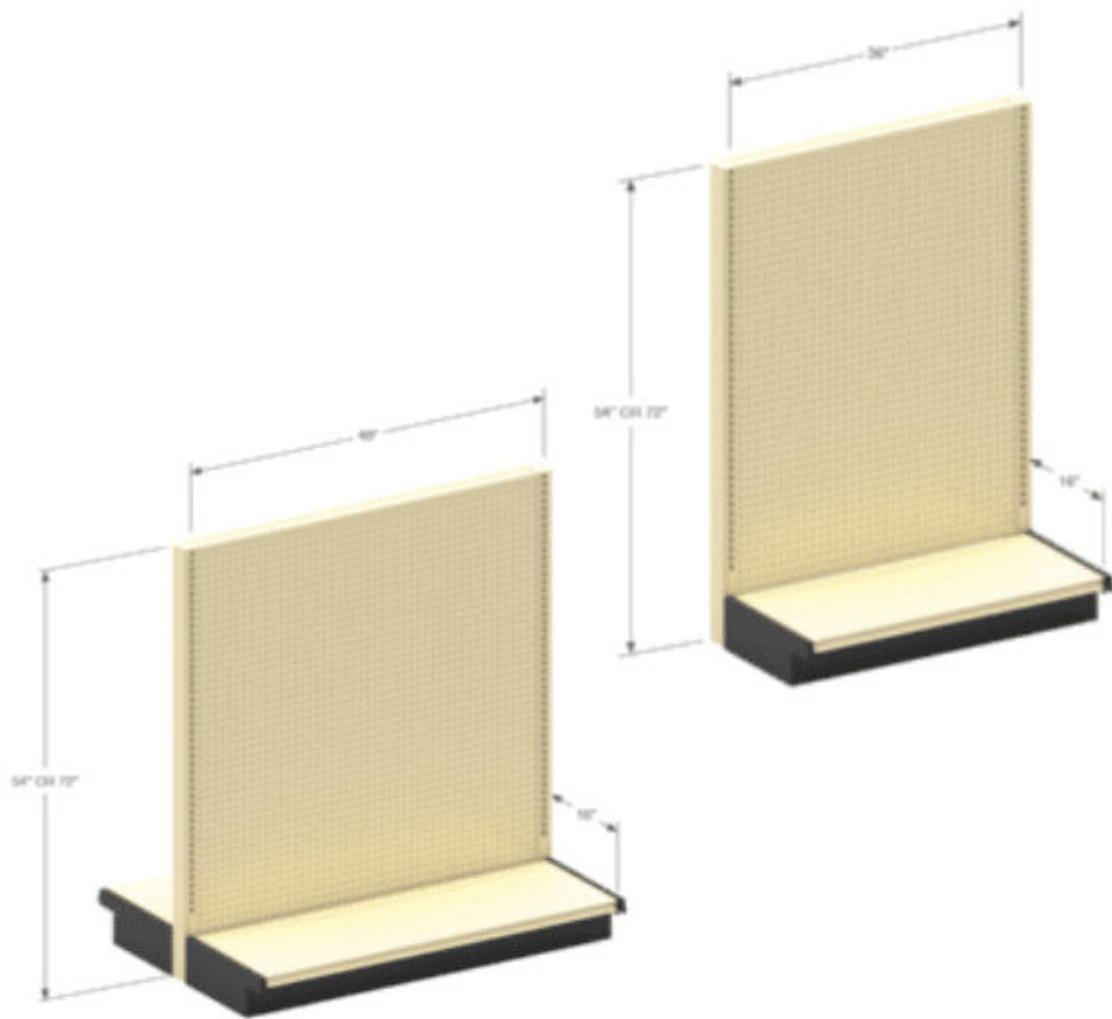

At, we know retail success starts with how your products are presented. As a certified distributor of Lozier store fixtures, we're here to help you understand what Lozier manufactures and how these high-performance systems can elevate your retail space. Since 1956, Lozier has been the gold standard in gondola shelving, store fixtures, and merchandising systems. Whether you're managing a national chain or a single storefront, Lozier offers durable, flexible, and customizable display solutions designed to perform.

## Lozier's Core Manufacturing Capabilities

---

Lozier manufactures some of the most recognized and relied-upon retail shelving and fixture systems in the industry. Their products are designed for long-term use, high merchandising value, and operational efficiency.

## Gondola Shelving Systems

---

Lozier is best known for its gondola shelving systems—the modular backbone of thousands of retail environments across North America.

1. Double-sided & single-sided configurations
2. Adjustable shelf heights for multiple product types
3. Durable powder-coated steel construction
4. Ideal for grocery, pharmacy, convenience, and department stores

These gondolas are engineered to make merchandising intuitive and adaptable, no matter your floor plan or inventory strategy.

## Retail Display Fixtures

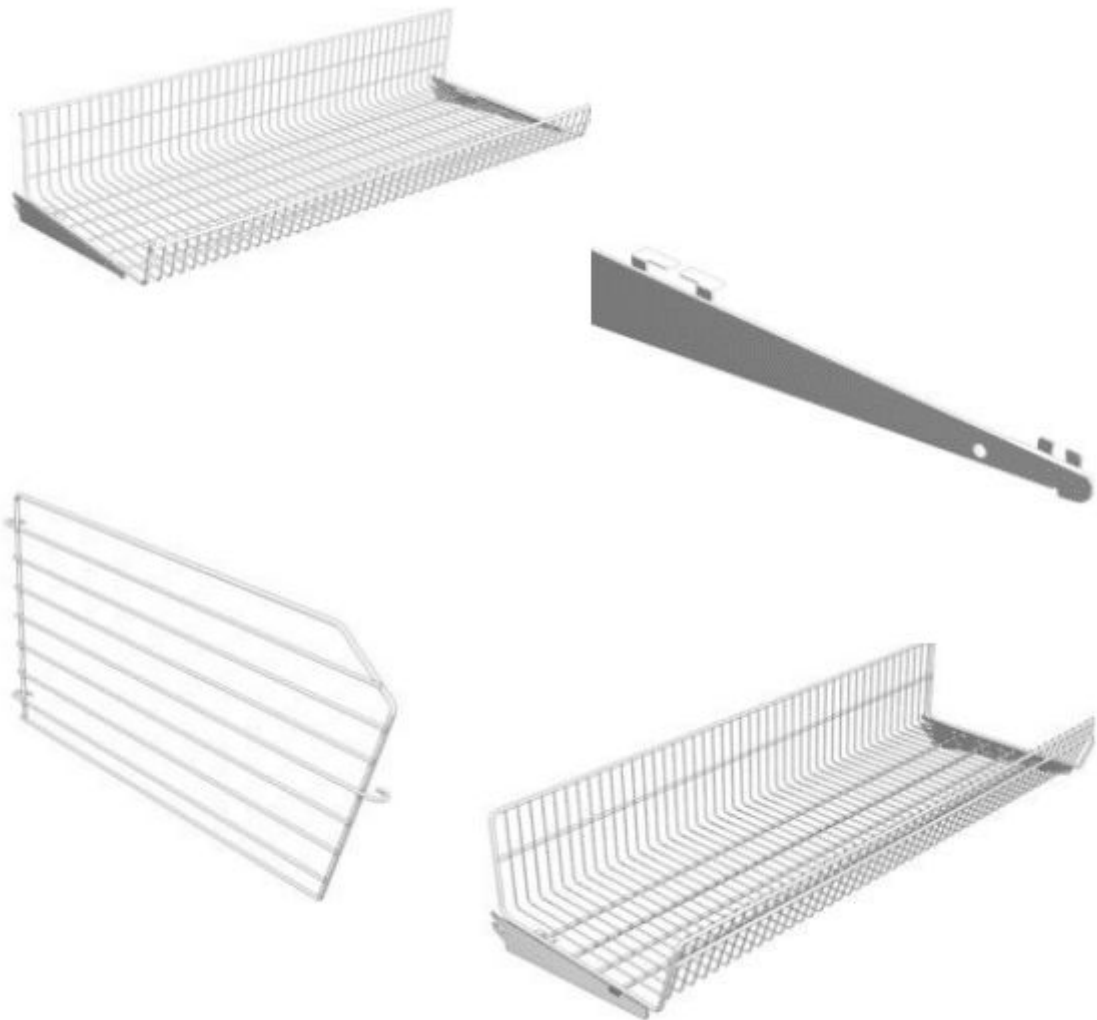

---

Lozier also manufactures an extensive selection of fixtures for product organization and visual presentation:

1. Wall units

2. Endcaps
3. Bins, baskets, and custom brackets
4. Product stops and dividers

These fixtures offer more than structure—they're tools for storytelling and sales.

## Storage & Backroom Shelving

---

Behind-the-scenes are just as important to keep your business running smoothly. Lozier also manufactures backroom storage systems to streamline inventory management:

1. Heavy-duty storage shelving
2. Custom depth and height options
3. Quick-ship configurations

## Specialty Fixture Segments

---

Lozier's product line goes beyond the basics to meet specific retail needs.

### Pharmacy Fixtures

---

Lozier manufactures pharmacy shelving systems that promote safety, privacy, and product access.

1. Modular and ADA-compliant

2. Easily integrated into store layouts
3. Designed with both customer experience and compliance in mind

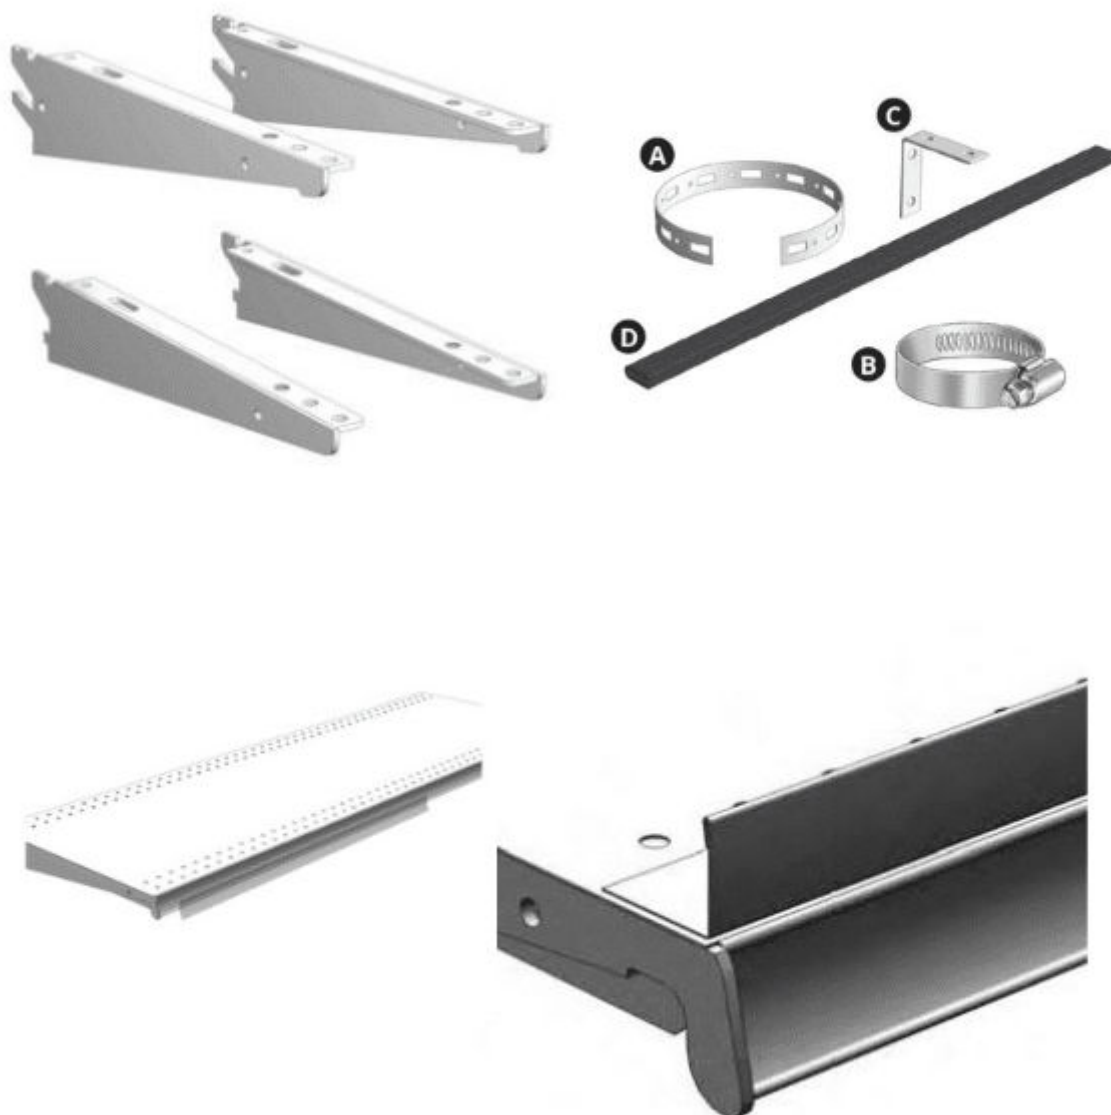

## **Freestanding & Mobile Displays**

---

Lozier manufactures freestanding display units that offer flexible merchandising without permanent installation.

1. Ideal for promotional and seasonal displays
2. Lightweight yet durable
3. Easily repositioned for high-traffic areas

## Accessories & Components

---

From shelf brackets to signage holders, Lozier offers an array of accessory parts that work seamlessly with their gondola systems:

1. Hooks, label holders, pusher trays
2. Shelves in multiple depths and finishes
3. Compatible color and style add-ons

## Who Uses Lozier Products?

---

Lozier manufactures products trusted by retailers of all sizes, including:

1. Grocery Stores – Kroger, Safeway, etc.
2. Pharmacies & Drugstores – National and regional brands
3. Convenience & Hardware Retailers
4. Mass Merchandisers – National department stores
5. Specialty Retailers – Auto parts, apparel, electronics

Whether outfitting a single location or rolling out hundreds of stores nationwide, retailers rely on Lozier’s consistency and quality.

## Why Choose Lozier Fixtures?

---

Here’s what makes Lozier a market leader in store fixture manufacturing:

1. Durability that lasts decades with minimal upkeep
2. Modular flexibility for changing layouts and planograms
3. Design compatibility across parts and accessories
4. Quick lead times and consistent quality assurance

At, we maintain one of the largest on-hand inventories of Lozier fixtures in the U.S. As your partner in retail display success, we deliver:

1. 1–3 Day Shipping on most orders
2. 99.78% Order Accuracy
3. Damage-Free Shipments 99.94% of the time
4. Custom Reporting and Tracking
5. No Minimum Orders
6. Dedicated Account Reps

*These are common questions retailers ask us about Lozier’s manufacturing and product offerings.*

Is Lozier the original gondola shelving manufacturer?

Does Lozier offer custom shelving options?

Are Lozier shelves adjustable?

Is Lozier’s product line compatible across store sections?

Can I get help planning my shelving layout?

## Lozier vs. Other Fixture Brands

---

Many retailers ask us how Lozier stacks up to other brands. Here’s what makes Lozier stand out:

Feature	Lozier	Other Brands
Durability	Industry-leading	Varies

---

Color & Finish Options	Extensive	Limited
Accessory Compatibility	Broad & consistent	Inconsistent
Modularity	High	Medium to High
Lead Times	Fast (1–3 days)	Slower

When you partner with Advance Displays, you also get guided support and inventory access that most competitors can't match.
